ALL-COUNTY LETTER NO. 74-36

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: FURTHER INSTRUCTIONS FOR P.L. 93-233 IMPLEMENTATION

REFERENCE:

This is to provide supplemental instructions to our Letter Number 74-32, dated February 14, 1974.

Central Contact Point

To facilitate the handling of listed cases which have been transferred to another county, counties should designate either a person or office to receive all calls relating to the "ATD Rollback" project. Your central telephone receptionists should be informed of the individual or unit you have designated to expedite the routing of telephone calls on the project within the county.

Submittal of Medical Data

Where it is necessary to submit medical evidence to the Disability Evaluation Program (DEP), counties may photocopy the necessary documents, and transmit the photocopies to DEP. If the county elects to follow this procedure, it is the county's responsibility to insure that all necessary data is copied and transmitted to DEP.

If medical information is missing, note this on the list transmitted to the DEP. The DEP will take the necessary steps to develop needed medical evidence.

If you have any questions, please contact Denis O'Sullivan at (916) 322-2676.

Sincerely,
